

# ON LINE 1200

## Datasheet

Whether you want uniform illumination or creating different light arrangements, ON LINE 1200 is the key to unlocking the perfect lighting ambiance for your retail store. It also provides good flexibility by offering side tilting capabilities, so it can be used as a single asymmetric fixture or wall washer.

Color	Beam Angle	CCT	System flux	System power
●	110°	3000K	7600lm (Opal)	70W
●		3500K	6700lm (Micro Prism)	
○		4000K	5800lm (Double Asym.)	

### Other technical characteristics

**Color Rendering:**  
CRI > 90

**Optics:**  
Opal, Micro Prism, Double Asymmetric

**Material:**  
Aluminium housing

**Color consistency:**  
MacAdams 2 SDCM

**Lifetime:**  
50.000 hours L80B10

**Guarantee:**  
5 years

**Installation:**  
Nordic Aluminium 3-phase track

**Protection:**  
IP40

**Size:**  
1200 x 70 x 50mm

**Dimmable:**  
Fixed output, DALI

**Certifications:**  
CE
