

DINGO 145

Datasheet

DINGO 145 pendant features our newest LED COB G-8 Ultra from Finland. It offers vivid colors (high CRI) and glare-free brilliance (low UGR). The pendant design is using an interchangeable reflector and has a protective glass to prevent from dust exposure.

Color	Beam Angle	CCT	System flux	System power	Other technical characteristics
	15°	2700K	3090lm (3000K)	25,4W (650mA)	
	28°	3000K	3265lm (4000K)		
	50°	3500K			
		4000K			

- Color Rendering:**
CRI > 90
- Light output:**
121,6lm/W
- Material:**
Die-cast aluminium
- Lifetime:**
50.000 hours L80B10
- Color consistency:**
MacAdams 2 SDCM
- Guarantee:**
5 years (LED Chip & driver)
- Installation:**
Nordic Aluminium 3-phase track
- LED chip:**
G-8 Ultra
- Protection:**
IP20
- Dimmable:**
Casambi, DALI, Wireless CC
- Certifications:**
CE
